Building Lasting Relationships in Casualty Treaty Reinsurance

Berkley Re UK is your trusted lead market for comprehensive Casualty Treaty reinsurance. We specialize in providing robust capacity and tailored solutions for our clients. Unlike a transactional approach, we are genuinely interested in fostering long-term relationships built on deep understanding.

Class of Business

Our Casualty Treaty expertise spans a wide array of coverages and market segments, allowing us to address diverse and complex portfolios. We provide solutions across various structures, including excess-of-loss, pro-rata, fronted deals, and soft-retro.

General Third Party and Employers Liability

Foundational coverage for common business liabilities.

Financial and Professional Liability

Protecting against professional errors and financial claims.

Motor (including unlimited layers)

Comprehensive motor coverage, including high excess layers.

Medical Malpractice

Specialized coverage for healthcare-related liability.

Transactional Liability

Solutions for M&A-related risks.

Cyber

Addressing evolving cyber exposures.

Miscellaneous Accident

Covering various other accident-related risks.

Capacity

We deploy significant capacity, offering up to GBP 10m any one loss, and up to 15% on motor (7.5% for UK Motor).

Territorial Scope

Our expertise extends to clients domiciled in the **UK, Europe, Middle East, Africa, and the Caribbean**. We highlight this broad geographic footprint as international business in London is not always common, making us a key market for diverse placements.
