Casualty Treaty

We provide expert Casualty Treaty Reinsurance, offering robust capacity and tailored solutions. Our team of experienced professionals offers superior expertise across a broad spectrum of casualty risks, providing decisive and reliable solutions for our clients.

Your Dedicated Partner in US Domestic Reinsurance

Berkley Re America is a trusted lead market for US domestic Casualty Treaty Reinsurance. We specialize in third-party liability business and pride ourselves on our underwriting team's deep expertise and proactive approach. Our mission is to collaborate with our clients, providing innovative and creative solutions that help you manage your business effectively. We offer a high-level overview of our business lines and our broad appetite, encouraging direct contact to discuss how our specialized expertise can benefit your specific needs.

Coverage Highlights

Berkley Re America offers a comprehensive suite of coverages and a variety of structures to meet your reinsurance needs. Our expertise is grounded in detailed underwriting and quantitative analysis, providing solutions that are both specialized and sound.

Coverages

We provide treaty reinsurance solutions for a broad range of Casualty and Specialty lines. This includes, but is not limited to:

- General Liability
- Umbrella and Excess Liability
- Commercial Automobile Liability
- Products Liability
- Environmental Liability
- Public Entity
- Railroad Liability

Capacity

We are able to offer meaningful line sizes and are equipped to respond on various structures.

- Treaty Capacity: Up to $10,000,000 per occurrence, claim, or loss.
- Proportional Treaties: Available for clients who seek a percentage of their portfolio reinsured, structured to help you balance your objective of growth, profitability, and financial stability.

Why Berkley Re America

Our customers choose Berkley Re America because they value our integrity, expertise, and a dedication to their long-term success.

Financial Strength

We underwrite on behalf of Berkley member insurance companies rated A+ (Superior), Financial Size Category XV, by A.M. Best Company. In this, we offer a level of financial security that is paramount in reinsurance. Our clients can have confidence in our ability to be a consistent and reliable partner for the long haul.

Expertise & Consistent Collaboration

Our underwriters are seasoned professionals with a deep understanding of niche markets. We are not just responsive, but are proactive and flexible, providing thoughtful and creative solutions that are tailored to our clients' unique portfolios.

Efficient & Responsive Service

Our dedication to service extends to every aspect of the relationship. We provide efficient, high-quality claims administration that is both nimble and personal, facilitating prompt and accurate payments. This commitment is a core part of our mission to deliver value and build lasting trust with every client.
