Why Berkley Re America

Our customers choose Berkley Re America because they value our integrity, expertise, and a dedication to their long-term success.

Financial Strength

We underwrite on behalf of Berkley member insurance companies rated A+ (Superior), Financial Size Category XV, by A.M. Best Company. In this, we offer a level of financial security that is paramount in reinsurance. Our clients can have confidence in our ability to be a consistent and reliable partner for the long haul.

Expertise & Consistent Collaboration

Our underwriters are seasoned professionals with a deep understanding of niche markets. We are not just responsive, but are proactive and flexible, providing thoughtful and creative solutions that are tailored to our clients' unique portfolios.

Efficient & Responsive Service

Our dedication to service extends to every aspect of the relationship. We provide efficient, high-quality claims administration that is both nimble and personal, facilitating prompt and accurate payments. This commitment is a core part of our mission to deliver value and build lasting trust with every client.
