Why Berkley Re America

Our customers choose Berkley Re America because they value our integrity, expertise, and a dedication to their long-term success.

Financial Strength

We underwrite on behalf of Berkley member insurance companies rated A+ (Superior), Financial Size Category XV, by A.M. Best Company. In this, we offer a level of financial security that is paramount in reinsurance. Our clients can have confidence in our ability to be a consistent and reliable partner for the long haul.

Expertise & Consistent Collaboration

Our underwriters are seasoned professionals with a deep understanding of niche markets. We are not just responsive, but are proactive and flexible, providing thoughtful and creative solutions that are tailored to our clients' unique portfolios.

Efficient & Responsive Service

Our dedication to service extends to every aspect of the relationship. We provide efficient, high-quality claims administration that is both nimble and personal, facilitating prompt and accurate payments. This commitment is a core part of our mission to deliver value and build lasting trust with every client.

Contact Us

We believe that great relationships begin with great conversations. We are here to answer your questions and provide the knowledgeable, personalized service you need. Reach out to our team to discuss your reinsurance needs.
