General & Products Liability Reinsurance

As a provider of direct casualty reinsurance, we provide bespoke reinsurance solutions for a range of casualty risks, with a specific focus on your critical need for general liability and products liability protection. We offer comprehensive support to grow your portfolio profitably.

Managing Core Liability Risks with Confidence

Our professional and experienced team offers thoughtful and tailored general and products liability reinsurance offerings. As your collaborative provider, we leverage our deep expertise to help you improve your underwriting practices, pricing strategies, and overall risk management. We're dedicated to a consistent approach to business and enabling your programs to achieve profitable growth.

Class of Business

Our expertise spans a broad range of general and product liability lines, and we possess the flexibility to support various classes to meet your reinsurance needs.

Commercial General Liability

We provide comprehensive products for general liability risks.

Products / Completed Operations

Our expertise covers liability arising from products and completed operations.

Why Berkley Re Solutions

Our customers choose Berkley Re Solutions because they value a business with integrity, expertise, and a dedication to their long-term success. We provide direct casualty reinsurance supporting a wide variety of businesses through a broad range of distribution sources and a unique blend of agility and stability that sets us apart.

About Us

Deep Expertise

We help insurers improve their underwriting practices, pricing strategies, and overall risk management. We have a lead underwriter mindset, providing in-depth analysis of coverage, rates, and pricing to help you enter new and emerging markets. We have improved our customers' underwriting by providing customized parameters and guidelines on over 80% of our treaties.

Long-Term Relationship

Our support extends across your business lifecycle. We operate with full transparency — sharing our actuarial analysis and pricing and engaging in collaborative underwriting meetings to make programs profitable. Our relationships are built to last, with an average treaty tenure of over 12 years.

Lasting Security

As a member of W. R. Berkley Corporation, we are considered a key player in the market, encouraging other markets to follow. The financial strength of Berkley's insurance companies is vital for long-tail casualty business, and our leadership's long-standing tenure and deep insurance knowledge have resulted in continuous profitable growth.
