Liquor Liability Reinsurance

We provide bespoke reinsurance solutions for various casualty risks, with a specific focus on the unique challenges of liquor liability.

A Strategic Approach to Liquor Liability

Liquor liability reinsurance is an essential component of our business. Our professional and experienced team provides thoughtful and tailored products to help you confidently manage a range of risks, including Taverns & Bars and Special Events. We are a collaborative reinsurance provider dedicated to sharing our deep expertise to help you improve your underwriting practices, pricing strategies, and overall risk management.

Class of Business

Our expertise spans a broad range of classes within liquor liability to meet your reinsurance needs, including:

Taverns & Bars

We provide solutions for taverns, bars, and other establishments that serve alcoholic beverages.

Restaurants

Our expertise covers restaurants that serve alcoholic beverages.

Nightclubs

We offer specialized support for the unique risks of nightclubs.

Special Events

We provide reinsurance solutions for liquor liability risks related to special events.

Caterers

Our expertise covers caterers that serve alcoholic beverages.

Why Berkley Re Solutions

Our customers choose Berkley Re Solutions because they value a business with integrity, expertise, and a dedication to their long-term success. We provide direct casualty reinsurance supporting a wide variety of businesses through a broad range of distribution sources and a unique blend of agility and stability that sets us apart.

About Us

Deep Expertise

We help insurers improve their underwriting practices, pricing strategies, and overall risk management. We have a lead underwriter mindset, providing in-depth analysis of coverage, rates, and pricing to help you enter new and emerging markets. We have improved our customers' underwriting by providing customized parameters and guidelines on over 80% of our treaties.

Long-Term Relationship

Our support extends across your business lifecycle. We operate with full transparency — sharing our actuarial analysis and pricing and engaging in collaborative underwriting meetings to make programs profitable. Our relationships are built to last, with an average treaty tenure of over 12 years.

Lasting Security

As a member of W. R. Berkley Corporation, we are considered a key player in the market, encouraging other markets to follow. The financial strength of Berkley's insurance companies is vital for long-tail casualty business, and our leadership's long-standing tenure and deep insurance knowledge have resulted in continuous profitable growth.
